

Scottsdale Family Resource Center

Guest Guidelines

All guests, with the exception of children under 4 years of age, are required to wear a mask when in the center and throughout the duration of a class or activity.

All guests will be asked to sanitize their hands and comply with a wellness check upon entry to the center. Temperatures will be taken with a contactless thermometer and questions regarding the possibility to COVID-19 exposure will be asked.

If a guest has a fever of 100.4 or greater or a possible risk of exposure is revealed, guest will not be able to participate in programming and/or services will be rescheduled.

All families attending in-person classes or activities will need to follow social distancing guidelines (at least 6 feet apart) to maintain the health and safety of all guests, instructors, and staff.

It is developmentally appropriate for children to be naturally curious and social, therefore the center staff will not enforce social distancing between children.

A maximum of 5 families will be allowed in each in-person activity or class. A family consist of no more than 1 adult and 2 children ages infant - PreK. School-aged children will not be allowed at this time.

Each family is given a basket of materials that is needed for the activity or class. All tables, chairs, and materials are cleaned and disinfected by the center staff before and after use.

Registration for activities and classes is required. Walk-ins to in-person classes will not be permitted.

Anyone who does not agree or feel comfortable with these guidelines is encouraged to explore available online classes and programming.
